

PORTSMOUTH CATHOLIC REGIONAL SCHOOL

BINGO POLICY ADDENDUM

SCHOOL YEAR 2012 - 2013

The following sets forth the Portsmouth Catholic Region School ("PCRS") policy on Bingo and is hereby incorporated into the "Contract" between PCRS and _____ and _____.

- PCRS operates and manages two (2) Bingo sessions per week as its primary fundraiser. Each family is expected to volunteer for at least **three (3)** sessions per year (July 1 – June 30) as assigned by the Bingo Board. A Bingo session is hereby defined as a four (4) hour period for the day session and a five (5) hour period for the night session;
- The Bingo Board assigns Bingo sessions to each family prior to the beginning of the school year, giving each family several opportunities to fulfill its **three (3)** session obligation;
- Parents/Guardians may have any family member or other appropriate adult (over 18 years old) work in their place upon proper notification in advance of scheduled session of the Bingo Board;
- The Bingo Board will consider requests by parents/guardians to be individually exempted from this policy based on medical and religious reasons only. This, however, **does not** eliminate a family's obligation to fulfill the **three (3)** session requirement;
- In the case of a granted individual exemption, the parent/guardian is obligated to find an appropriate adult (18 years or older) to substitute to work the **three (3)** sessions.
- In either case, the parent/guardian will provide the Bingo Board the substitute's name and phone number;
- A substitute's failure to attend a Bingo session will not void a parent's/guardian's obligation to work **three (3)** sessions;
- The Bingo Board retains the right to make any and all other exemptions. No exemptions will be granted by any other entity besides the Bingo Board.

I have read the above policy and will comply with its provisions.
