Service Outreach Collection of Shoes

for School Students of St. Peter's in Roy Sec, Haiti

Fr. Bertrand, the pastor of St. Peter's Church and School, in Roy Sec, Haiti visited PCRS last week. In visiting our classes he spoke about his school and shared that his students walk thirty minutes to an hour each way to school each day in bare feet. Our PCRS students would like to collect shoes to help these students. At Mass yesterday, Fr. David Cupps encouraged our students to begin collecting shoes and to take on the responsibility of helping others and being in service to others to reach salvation.

Please send in new and gently used children's shoes beginning January 2, 2012. We are partnering with the Cluster Parishes in collecting shoes and shipping them to St. Peter's School in Haiti.
